

ASX RELEASE

6 November 2020

Vale Mr Martin Kavanagh

It is with great sadness that I inform the Shareholders of Chase Mining and the market that Martin Kavanagh passed away yesterday.

Marty as he was commonly known was a close friend and working colleague of mine for many years and he will be sorely missed at Chase Mining for his technical input and general contribution to the Board.

While he was a patient and gentle man, he was also wise with a great sense of humour.

People found him a delight to deal with and there was a kindness about him that is almost incongruous in our industry.

RIP MARTY
